

2020 VISION

PACIFIC Regional Director's Letter

“Behold, I say unto you, Lift up your eyes, and look unto the fields; for they are white already to harvest.”

John 4:35

What We Choose to BEHOLD Determines Our Course

‘Seeing’ the fulfillment of our Regional Vision of reaching every inhabited isle and every people group with the apostolic message through our natural eyes may seem humanly impossible and out of reach.

However, how we direct our eyes, minds, hearts and hands in the everyday will ultimately determine our course. If we will but maintain our focus on God’s greatness, His power, and His majesty, the doubts will dissipate.

Much is being said about 20/20 vision. Lamentations 3:22-23, “... *his compassions fail not. They are new every morning; great is thy faithfulness.*” When we choose to look up from our many challenges and obstacles we face here below, we have the opportunity and privilege to behold His faithfulness and to experience His provision, power, and glory!

“With opportunity comes challenge. With challenge comes risk. With risk comes fear. We must face the challenge and take the risk. In other words, we need to walk by faith.” – D. K. Bernard

We must have eyes to see the supernatural

unchanging faithfulness – 24 hours a day, 365 days a year. The faithful rising and setting of the sun, the rising of the moon and stars that never leave their position are the faithful making of what He calls ‘day.’

A day is not a random cluster of time, but is ordained and sacred, even when it feels ordinary. In moments we may think insignificant, you and I are part of the orchestration of His sovereignty.

To behold the steadfast faithfulness of God day by day, His attention over the earth’s daily rotation on its axis and each circling of the sun, we witness God’s display of His presence and His power.

He has given these minutes and hours to us! They are not ordinary!

As we enter the year 2020, let’s prayerfully and confidently move toward accomplishing the vision God has given to us. We must have His eyes to see the supernatural and a heart that beats after His. We must walk in the Spirit, be led of the Spirit, and minister in the Spirit. We must walk by faith and not by sight in these critical, last days.

We must have a strategic plan in place – and that plan must be properly and consistently implemented as we reach for the lost.

As we BEHOLD His glory, may 2020 yield an unprecedented harvest!

Several true Giants and Champions of the Faith went home to be with our Lord in 2019. The Pacific truly grieves with these families, churches and nations as the loss is acutely felt among us.

We give honor to these great men and thank God for their lives of vision, passion and commitment to Truth, giving their lives for Kingdom purpose. The fruits of their faithful and sacrificial labors will remain until the return of our Lord.

Regional Day of PRAYER

The first Monday of March each year has been designated as our Pacific Regional Day of Prayer.

We cannot over emphasize the importance of corporate prayer as we endeavor to reach the lost world around us with the Gospel of Jesus Christ.

Our goal is for every nation in the Region to coordinate Prayer Meetings in local churches and homes throughout the day on March 2, 2020.

Our prayer focus is to be on our target cities, villages, outer unreached islands, unreached nations, our leadership and ministry.

THANK YOU in advance for your cooperation!

First Ever ~ ASIA / PACIFIC Youth Conference!

A Personal Note to All,

My wife and I are so honored – and count ourselves blessed – to have been given the privilege to serve you and your nations as Regional Director.

We are sincerely grateful for the respectful working relationship we have one with another. We do not take this for granted.

Along with our many victories experienced this past year, we must not forget that some throughout our Region have dealt with tremendous loss due to earthquakes and strong storms. We can, both personally and collectively, bring great comfort and healing as we reach out to our brothers and sisters in their time of such great need.

We are looking forward to 2020 with great anticipation! As we face the challenges of these last days, know that He has gone before us, opening doors of opportunity and providing the necessary resources! We but need to open our eyes, see His hand, and follow with confidence!

You, your ministries, and your leadership are greatly valued! May His favor rest upon us all during 2020!

*Roger and Becky Buckland
