**The PACIFIC Region gives APPRECIATION to Rev. David and Mrs. Donna FLOWERS
30 YEARS MISSIONARY SERVICE - Congratulations on your RETIREMENT!**

First appointed to the Africa Region in 1987, this great couple came to the Philippines in 2009 to serve the Apostolic Centre of Theological Studies (ACTS). Their leadership, teaching and preaching ministry, and the mentoring of young people has had great impact on thousands of lives through the years as they have served with the highest of character and integrity. Brother Flowers also faithfully served as a member of the Philippine Executive Board. **THANK YOU for investing your lives into the lives of others!**

Brother and Sister Flowers will retire in the Memphis, TN area and plan to assist their sons in establishing new churches.

We give them both our sincere love, great appreciation, and earnest prayers for a fruitful retirement! God bless you and reward you for your faithfulness!

PACIFIC PRAISE REPORTS

Believers on the island of **GUAM** have joined together with **Missionary David and Kelley DIBBLE** in preparations to launch another church.

South Pacific Area Coordinator, **Missionary Eddy and Della Mae Kennedy**, made another evangelism trip to **UNREACHED FRENCH POLYNESIA** on **April 22-30** for the purpose of teaching contacts already made. With as many as **70 in attendance**, the subjects of Faith & Obedience, the New Birth, Repentance, Baptism in Jesus' Name, and Baptism of the Holy Spirit were taught. Most attendees were from traditional Protestant churches, similar to Methodist or Anglican. People responded and came forward for prayer, with a manifestation of the Holy Ghost following. Translated literature in the French language was distributed, with a request for the Kennedy's to return.

Please join us in prayer for this beautiful island chain — and pray for someone to receive the call — French Polynesia needs a missionary on location!

The Lord is using **Rev. Leone Toke** to reach out and start a church in **Fua'amotu, TONGA**. Sunday, May 7, the first service was held in his home. God bless this family for their vision and ministry!

WELCOME to our NEW PACIFIC AIMers!
