April 8, 2020

To Our Missionaries and National Leaders of the Pacific Region,

I greet you in the Name of Jesus this 2020 Easter week.

You have been in our thoughts and prayers daily, especially during this global pandemic as we know that most of you are dealing with the unprecedented needs of your families, your congregations and your communities.

All hope was SEEMINGLY lost to the followers of Jesus that very first EASTER week. In Luke 22:54 we find Peter 'social distancing' himself from Jesus as he followed 'afar off.' The words spoken by the Master to His disciples at the very first Lord's Supper just prior to the cross, "*But I have prayed for thee, that thy faith fail not,*" appeared to have been so quickly forgotten.

As the crowd sat down and watched him there, three last words of Jesus' were uttered as he bowed his head, "*It is finished.*" However, only thirteen verses later, '*when it was yet dark,*' Mary Magdalene '*seeth the stone taken away from the sepulchre.*' Weeping, Mary stooped down and looked into the sepulchre. Her tearstained eyes see two angels in white sitting where the body of Jesus had lain. She turned around, and there she saw Jesus standing.

He lives! Hope is not lost! All throughout history, His people have cried out to Him '*in the darkest of nights.*' The resurrected Christ gave them hope, despite incredible obstacles. There are people in desperate situations and who are in desperate need. As you minister to your congregations and beyond via technology this weekend, may your voices confidently proclaim His message of hope, a hope for today and a hope well beyond this earthly life!

As I write this letter, Tonga is being battered by Category 4 Cyclone Harold. Many in the Solomon Islands, Vanuatu and Fiji are left without homes, flooding, and no power. Let's join in prayer for our brothers and sisters who are presently suffering such loss while also coping with the threat of COVID19.

Time and time again, you, the beautiful people of the Pacific, show the world your resiliency, your strength, and your trust in God. Through natural disasters, your unflinching faith causes you to rise up again and work while it is yet day.

PACIFIC REGION

God bless you each one. If there is anything we can do for you, please do not hesitate to let us know. We thank God for you, for your faithfulness, for your leadership, as well as for your friendship.

Sincerely,
