A Word from our REGIONAL DIRECTOR

REV. & MRS ROGER BUCKLAND

With our world changing so drastically — it is very easy for us to become disoriented.

BUT GOD has purposely placed each one of us here on earth, this very day, for this very time to fulfill His purpose!

My prayer is that we will not waste or miss these opportune 'Missional Moments' in reaching our world.

God comes to people through His messengers — YOU!

May God BLESS you, keep you and continue to USE you in these critical, unprecedented last days prior to His return!

2021 PAC Regional Day of PRAYER Report:

THANK YOU to each of our National Prayer Coordinators for promoting and organising Prayer Meetings all across your respective nations on Monday, March 1 — and **GOD BLESS** every individual who participated! We go FORWARD in the Name of Jesus!

Exciting reports came in from across the Region of simultaneous virtual prayer groups held across entire nations. #ifMypeople #togetherinprayer #togetherinvision #togetherinlabor

Missionary to the French speaking islands of **NEW CALEDONIA**, Rev. & Mrs. Eddy Kennedy, report that following lockdown due to a cyclone and flooding, in recent weeks *4 have been baptised and a young lady received the Holy Ghost!*

Additionally, *a new door* has opened in the northern territory — a 7 hour drive — with a group of nearly 30 trinitarians, mostly from the French territory islands of Wallis & Futuna.

Brother & Sister Kennedy covet your prayers for this group that their eyes would be opened to the full Truth — and they are also praying for HELP — AIM workers who are able to speak French in order to help them evangelise and make disciples in **New Caledonia** and open the UNreached islands of **French Polynesia!**

OPENED DOORS! AIMers NEEDED!

IN LOVING MEMORY

The Pacific Region truly grieves the loss of yet two more great men of God. Their lives, their ministry, their influence and their presence is truly missed. Our prayers are with their respective families, nations and churches in this time of loss.
